Everyone should have received their Blue Cross and Blue Shield Insurance Cards; if you have not received your health insurance card please contact Human Resources.

Principal Dental Insurance cards are on the way. If you chose to purchase Superior Vision, those insurance cards are also on the way to the address provided.

Remember, MYidealDOCTOR is a new health benefit active now for all City employees and those employees who chose to elect for dependent coverage. Make sure to check it out!

Please remember to destroy all old insurance cards!

Human Resources General Announcements

SAFETY TIP

Please remember while working to take **YOUR TIME** and be aware of your surroundings. The leading causes of accidents in the workplace are falls and hazardous communication. So take a few extra seconds to make sure that what you're doing is safe for not only you but your fellow employees!

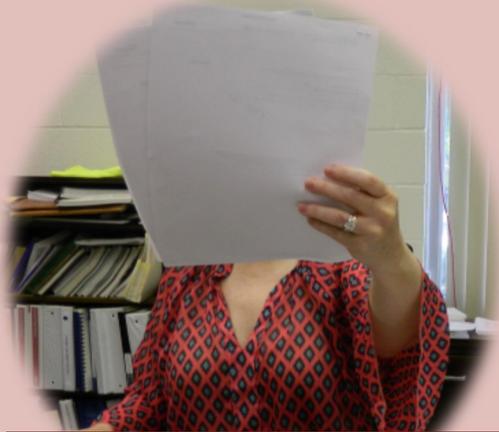

JULY: UV Safety Month

Keeping Safe in the SUN

It's very important during the summer months to be aware of the harmful ultraviolet rays. Two main types of UV light that are harmful to us are, UVA and UVB. UVA rays are the ones that can make skin leathery and wrinkly in appearance as well as skin cancers. UVB is what gives you your sunburn and is responsible for the other types of skin cancer. Always wear sunscreen! Also, don't forget to shield the eye; it's vital for healthy sight!

Welcome New Hires to the City!

We are what we repeatedly do. Excellence then, is not an act, but a habit. ~ Aristotle
